

High School Coaching Job Posting

Resurrection Christian School is committed to raising up Christian leaders who are Boldly Christian, Academically equipped and globally prepared. Our vision is to do this using the many platforms available in a school setting including that of sports.

A wide variety of sources and testimony tell us that coaches more than anyone else change and shape lives of high school athletes. Knowing this, RCS will seek to place the very best coaches in front of our student \ athletes.

Resurrection Christian serves a wide range of denominational and economic backgrounds in its school. It also serves families from surrounding areas and communities along the Front Range of northern Colorado. It is not unusual to find families travel a distance so their sons and daughters are able to experience a Christian education and athletic experience.

RCS athletic programs have competed well throughout our history. RCS teams have been outstanding, winning championships at all levels. Virtually all of our sports have earned a spot in the State playoffs and continue to compete well even at the State level. RCS was the 2014-15 winner of the Coloradoan Cup an award that is given to the best athletic program in the area regardless of size. However, all of this pales at our most important desire. It is our goal and desire to serve and honor our Lord Jesus Christ in all that we say and do.

Our school is growing in numbers. In the last three years we have grown from 225 to over 300 high school students projected this coming year. RCS is a CHSAA sanctioned member school and will abide by its rules and regulations. As a new athletic cycle approaches RCS sport programs will be a member of the 3A Patriot league in most of our sports. A new classification and a move to another league will pose a challenge we will meet head on.
